

Middle School Basketball Trip:

Next week is a celebration of Catholic schools and one way that our neighboring school, St. Francis, participates is by inviting our school to a basketball game. Trinity's girls and boys middle school basketball teams play one another in front of St. Francis's entire student body. As a response to their invitation and in order for our basketball teams to have a cheering section our remaining middle schoolers travel to St. Francis by bus to support our teams! It is always a fun-filled, unifying, and exciting event! This year the Middle School Student Council is funding the bus that the students will take to the games, so there is no charge! The bus will pick students up after lunch on Wednesday, February 3rd and take them to St. Francis. When the games are over – around 2:00 – the bus will bring our students back to the school to be picked up at regular dismissal time. All those attending Youth and Government will be taken immediately to the game from Charleston, and all students on the basketball teams (JV, Boys, and Girls) will have rides arranged through their coaches and parents. All other students simply need to fill out the following permission slip **turn it into Mrs. Santrock during Bible class** and we'll be off for an afternoon full of fellowship and school spirit! Permission slips need to be signed and turned in by Tuesday, February 2nd. If you have any questions feel free to email ldevault@tcsww.org and ask away!
