

## Parent Service Organization

# News

Kicking off the school year with our first PSO-sponsored event was the annual Veterans Day Celebration, held on November 11. This well-attended luncheon and program brought together the school and our community, with the specific purpose of giving honor and recognition to our servicemen and women.

With an abundance of finger foods and goodies generously donated by area restaurants and Trinity parents, and Janice Humble's artful display of patriotic decorations, the TCS lobby was transformed into a festive backdrop where the Veterans and their families could mingle.

The guests and Trinity students, staff, and families were then invited into the gymnasium where various segments of the student body paid tribute to fallen heroes, family members, and the attendees through various musical selections, recitations, and a slide show. The afternoon ended with a heartfelt address presented by Comrade Sgt. Major Bob Losh.

From the initial feedback, this year's event once again touched many hearts of our military community. As it is still fresh in our minds, would you consider planning to be involved with next year's Veterans Day Celebration? The PSO is in need of a Co-coordinator to assist Janice Humble, as she will have a graduating senior next year. The future of this program is contingent upon our volunteers. Please let us know if you would be willing to help us continue to offer this wonderful event by contacting Janice Humble at [jghumble@comcast.net](mailto:jghumble@comcast.net). We have had wonderful committee members to work with through the years and would love to have you join us.
