Trinity Christian School Will Be Placing Orders For Letterman Jackets!!!

Jackets will be order the first week of October. September 30 from 5pm to 6pm a representative will be at the school to measure and take orders for jackets. A \$100.00 deposit is required to order the jacket and the balance is due when the jacket arrives. The "T" that you received from the boosters can be sewn onto your jacket, along with your name, the year you graduate, the sports you play and chevrons that denote how many years you have played high school sports. If you have not received a "letter" yet from the boosters you can order a jacket and have the letter placed when you receive it. The sample jacket is hanging in the concession stand for you to see. Any questions should be directed to Amanda Smith 724-557-6539 or Mr. Varner at the school.
