General News

Thank you - Mr. Bowles would like to thank all parents, students and staff for all the help cleaning.

H1N1 Vaccination - The Mon County Health Department will be at Trinity on Thursday, November 19th, to administer the H1N1 vaccinations to Trinity students. They will begin at the start of school.

Emergency Contact Information - We would like to be able to contact our parents quickly in case of an emergency or if we need to close school during the day. Previously, we have sent out mass emails in an attempt to notify our parents. We now have the ability to send a mass notification via cell phone texting. **This would be used for school wide emergencies only. Even though we have your cell number we need to know your carrier, as you may have changed since last year. Please return the attached form to the office. If you do not wish to participate in this, please check the appropriate line and return to office. Thank you.**

Food Drive - The Trinity Student Government is hosting a food drive to benefit the Rock Forge Ministries. They are in desperate need of non-perishables to meet the increased need of the hungry in our community. Drop boxes are in the foyer. The food drive will run through November 20th. Thank you!

TCS Student demonstrates how to "Be the One" - A J Stewart, a member of the Junior class, recently won the 4-Strokes B Lites National Cross Country Series. He has used his love of racing and passion for those with multiple sclerosis to create a charity ride for MS. He recently held his 8th annual ride and has raised more than \$30,000 for the National MS Society.

Would you like to help TCS raise \$100,000.00? U. S. Cellular is once again sponsoring Calling All Communities in which 10 lucky schools will share \$1 million dollars! It is a very EASY way for us to raise money. All you need to do is stop by your local US Cellular store and pick up a card. Go online, enter the card number, and submit your vote for Trinity Christian School, Morgantown, WV. You don't have to be a US Cellular customer. No purchase necessary and no one will try to sell you anything. We have attached more information and a list of all local US Cellular stores. Last year Preston High School was one of the winners. The contest runs from November 13, 2009 through January 15, 2010. You must be 18 to vote and can only cast one vote. Please tell family and friends to help support our cause.
