

August 2010

Dear Parent,

My Bank First United Bank & Trust, as a benefit of our Partnership in Banking with Trinity Christian School, is pleased to re-introduce our Banking-at-School program. We believe that the need for understanding money management at an early age is more important than ever and *My Bank* would like to help. Not only will your child experience the excitement of saving for that special dream, but this savings program will also help your child learn to sort out everyday wants into actual needs.

Beginning August 30, 2010, through our Banking-at-School program, your child will be offered the following opportunities:

- Participate in a savings program offered for Trinity Christian School students with *My Bank's My Prime Saver* account, which is currently earning 1.00% APY and has no minimum balance requirement.
- Learn how you can help the school when you get your very own customized Trinity School Spirit Visa Check Card. Check out your Trinity School Spirit card at www.mybank4/trinity.html
- Teach your child to manage their finances with our Freedom Checking account with unlimited check writing and no minimum balance requirement.
- *My Bank* will contribute an opening deposit of \$10 into each new account. Not to mention that First United will waive the \$100 minimum deposit required for this special program on the My Prime Saver account and the required \$50.00 initial deposit on the Freedom Checking account.
- The first Wednesday morning of every month, a bank representative will be on-site from 7:30 a.m. to 8:00 a.m. to collect deposits. For every \$250 in deposits to the Prime Saver account, First United will give a prize to the student as a reward for their dedication to saving.

We feel that this early start to understanding money management will positively affect your child's future spending and saving habits. In order for you to participate in this program, please complete the enclosed *All About You* form and return to Trinity Christian School by September 15, 2010. A separate form is required for each child, thus, additional forms will be available at the Back-to-School night as well as at the school's main office. Please keep in mind that this program offers an open enrollment allowing your child to participate at any time. We will begin accepting deposits on Wednesday, October 6, 2010.

Should you have any questions, please do not hesitate to contact me at (304) 291-6690. We look forward to sharing this experience with you and your family!

Sincerely,

Chele K. Varner
Sabraton Community Office Manager

Member FDIC

The annual percentage yield on the My Prime Saver is valid as of August 12, 2010 and may change the first Tuesday of each month. A VISA check card is not an available option for the My Prime Saver account. Withdrawals at one of our conveniently located community offices can be made at any time. Transfers and withdrawals from a My Prime Saver account to another account or to third parties by preauthorized, automatic, telephone, or computer transfers, check, draft, or similar order to third parties is limited to only (6) six per month or statement cycle.

All about you...

Welcome to *My Bank* First United Bank & Trust's Banking-at-School program! We realize that your time is very important, so please take a minute to fill out the information below and return it to Trinity Christian School at your earliest convenience.

Upon returning this form to Trinity Christian School, we will need to see a valid form of photo identification of the Secondary Account Holder in order to complete the account opening process for your Banking-at-School participant.
