

Attention

***Homeroom parents...We need
your help!***

Each year we ask each homeroom class to make a theme basket to sell at our November Auction. This has always been a huge, fundraising success for our school. This year we are asking each Homeroom mother to coordinate with your classroom and come up with your theme idea. Please let us know as soon as possible each classroom's theme so we can hinder any duplication. Ideas in the past include craft baskets, a laptop basket, spa baskets and WVU sports baskets. Baskets are due **November 1st** and can be turned into the office with your classroom name on it. The basket that earns the highest, auction sale will receive a prize! Any questions please contact Teresa Barnett at 304-290-1674.
