

Volleyball Questionnaire for Families of 5th, 6th and 7th Grade Girls

With the start of volleyball in Monongalia County Schools for Middle School this 2010-2011 school year, Trinity is looking into what the interest would be for a volleyball team in Middle School. We would like to get an idea from families of girls in the 5th, 6th, and 7th grade that would be interested in playing middle school volleyball. The volleyball season would run from the second week of August through the middle of October. Please take time this week to discuss this with your student and send an email to jenniferhefner@comcast.net with a short reply to these questions if you have a daughter in the 5th, 6th or 7th grade that would be interested.

1. Has your 5th, 6th or 7th grader expressed an interest in playing volleyball?
2. Would your 5th, 6th, or 7th grader be interested in competing for Trinity Middle School next fall?
